Disbursement Costs

| | |
|---------------------|-------|
| Cremation Fee | £ 423 |
| Medical Certificate | £ 82 |
| Out of hours Fee | £ 80 |

The Medical Certificate fee is not charged where the coroner signs the papers.

An additional charge is made if your love one is brought into our care out of normal office hours.

Our office hours are 9 am – 5 pm.

Reasons for choosing this option

- The person who has died stated they did not want a funeral service.
- A direct cremation takes away the stress from arranging a funeral.
- It could be that this is the most cost-effective option and may be suitable to have a separate memorial service or a celebration of life memorial at a later date, or that the person who has died wanted to be left in a natural state.

Included in Our Pure Cremation Service

- Funeral Directors Fee, including Professional & administration Fees.
- Initial meetings and follow up phone calls as necessary.
- Assistance with the completion of all the associated legal documents submitted to the relevant authorities, including liaising with doctors or coroners.
- 24-hour professional support and advice 7 days a week, which includes supporting family and friends throughout the process of the funeral arrangements.
- Funeral arrangements can be facilitated in the comfort of your own home if you wish to do so or at our facilities at no additional cost.
- The choice of a simple wood effect coffin fitted and lined with 4 gold effect handles and nameplate.
- Preparation and care of your loved one.
- We care for all our clients with the utmost respect, care and dignity with full love and affection towards your loved ones throughout our care.
- Continuous care for your loved one whilst in our care and an option to spend time with your loved one at a time suitable to you.
